## 160. MEET STEPHANIE ANSPACH #2

### The perfect grey basic...

Here I am again, showing you a new piece of the Stephanie Anspach collection.. You had the possibility to discover my first two favorite items in the previous outfit post 'Meet Stephanie Anspach' and now I found another great basic: the grey sweater.

The model is oversized and you have the possibility to wear it a bit longer (as a dress) or with one shoulder off. From sportive and casual, to cosy for at home: this sweater can be styled in different ways. That's what a Basic is made for, isn't it?

And about the setting: it's my work space. It's ready to be decorated with a desk, computer and loads of fashion magazines and influences. However, I would love to keep it empty to continue shooting in it...

LABELS: COLLABORATION, FASHION, OUTFIT, STEPHANIE ANSPACH
